12 Project Equipment Packages

Preliminary suggestions. Confirm project scope, machine specifications, condition, stock availability and destination requirements before quotation.

01 Road Construction Project
Road contractors and infrastructure developers

02 Earthmoving Project
Earthwork contractors and land developers

03 Mining Project
Mining companies and quarry operators

04 Building Construction
Building contractors and property developers

05 Agricultural Land Development
Farm owners and land-clearing contractors

06 Water Conservancy Project
Dam, canal and water-resource contractors

07 Municipal Engineering
Municipal contractors and utility teams

08 Port & Logistics Project
Port operators and logistics companies

09 Demolition Project
Demolition and renovation contractors

10 Road Maintenance Project
Road maintenance contractors and highway teams

11 Sand & Gravel Production
Aggregate suppliers and quarry operators

12 Site Preparation Project
Land developers and industrial-park contractors

01. Road Construction Project

Typical buyers: Highway contractors and road-building companies

Equipment	Suggested Model	Qty
Motor Grader	XCMG GR180 Or CAT 140H/140G	1
Road Roller	XCMG XS183J/203J/223J	1-2
Wheel Loader	SDLG LG936H/956H/Cat950H/966H	1
Excavator	CAT 320D/DoosanDX225/Hyundai220	1
Dump Truck	Payload to suit	2-3

500+ Units In Stock | Ready for Global Shipment

Earthworks, sub-base preparation, paving and compaction. Complete road construction fleet ready for immediate dispatch from our yard.

Vivian | WhatsApp: +86 15821372359 | Email: Vivian186166@gmail.com

02. Earthmoving Project

Typical buyers: Earthwork contractors and site-developers

Equipment	Suggested Model	Qty
Excavator	CAT 320D / Komatsu PC200	1-2
Bulldozer	Shantui SD16 / SD22	1-2
Wheel Loader	SDLG LG956L	1
Dump Truck	20-30 ton class	3-5
Motor Grader	XCMG GR180	1

500+ Units In Stock | Ready for Global Shipment

Mass excavation, grading, loading and hauling. Our yard holds rows of excavators and bulldozers ready for immediate delivery.

Vivian | WhatsApp: +86 15821372359 | Email: Vivian186166@gmail.com

03. Mining Project

Typical buyers: Mining companies and quarry operators

Equipment	Suggested Model	Qty
Large Excavator	CAT 345D / CAT 349D/Sany365H	1-2
Mining Dump Truck	Payload to suit site	3-5
Bulldozer	Shantui SD32	1-2
Large Wheel Loader	CAT 966H / XCMG LW600KN	1-2
Motor Grader	CAT 140K / XCMG GR215	1

500+ Units In Stock | Ready for Global Shipment

Heavy-duty mining and quarry fleet. Our main yard spans hundreds of units across all categories, ready for bulk order export.

Vivian | WhatsApp: +86 15821372359 | Email: Vivian186166@gmail.com

04. Building Construction

Typical buyers: Building contractors and property developers

Equipment	Suggested Model	Qty
Mini Excavator	Mini Kubota / CAT 305.5E2 3-8 ton	1
Medium Excavator	CAT 320D	1
Wheel Loader	SDLG LG836H/856H	1
Backhoe Loader	JCB 3CX	1
Forklift	3-5 ton class	1

500+ Units In Stock | Ready for Global Shipment

Foundation work, material handling, loading and general site work. Mini excavators in stock for confined urban construction sites.

Vivian | WhatsApp: +86 15821372359 | Email: Vivian186166@gmail.com

05. Agricultural Land Development

Typical buyers: Farm owners and land-clearing contractors

Equipment	Suggested Model	Qty
Excavator	CAT 320D / Hyundai 220	1
Bulldozer	Shantui SD16/SD22	1
Wheel Loader	SDLG LG936H/856H	1
Motor Grader	XCMG GR180	1
Road Roller	XCMG XS163J/203J/223J	1

500+ Units In Stock | Ready for Global Shipment

Land clearing, drainage, access roads, leveling and ground preparation. Cost-effective reliable machines for agricultural projects.

Vivian | WhatsApp: +86 15821372359 | Email: Vivian186166@gmail.com

06. Water Conservancy Project

Typical buyers: Water authority and irrigation contractors

Equipment	Suggested Model	Qty
Long-Reach Excavator	Reach to suit depth	1
Standard Excavator	CAT 320D/Hyundai220/DoosanDX225	1-2
Bulldozer	Shantui SD16/SD22	1
Wheel Loader	SDLG LG956L	1
Dump Truck	15-25 ton class	2-3

500+ Units In Stock | Ready for Global Shipment

River dredging, reservoir excavation, canal construction and dam building. Long-reach excavator configurations available on request.

Vivian | WhatsApp: +86 15821372359 | Email: Vivian186166@gmail.com

07. Municipal Engineering

Typical buyers: City governments and municipal contractors

Equipment	Suggested Model	Qty
Backhoe Loader	JCB 3CX / CAT 420F	1-2
Road Roller	XCMG XS123J/143J/163J	1
Wheel Loader	SDLG LG836H/856H	1
Excavator	CAT 315D / 320D	1
Mini Excavator	Mini Kubota / CAT 305.5E2	1

500+ Units In Stock | Ready for Global Shipment

Road repair, pipeline laying, landscaping and utility work. Compact machines ideal for narrow urban streets and city projects.

Vivian | WhatsApp: +86 15821372359 | Email: Vivian186166@gmail.com

08. Port & Logistics Project

Typical buyers: Port operators and logistics companies

Equipment	Suggested Model	Qty
Wheel Loader	CAT 950H / SDLG LG956L	1-2
Forklift	3-10 ton class	2
Telehandler	Confirm lift capacity	1
Wheeled Excavator	Hyundai 210W-9	1

500+ Units In Stock | Ready for Global Shipment

Yard operations, material handling, loading and port maintenance. Panoramic view of our main storage yard showing inventory scale.

Vivian | WhatsApp: +86 15821372359 | Email: Vivian186166@gmail.com

09. Demolition Project

Typical buyers: Demolition and renovation contractors

Equipment	Suggested Model	Qty
Excavator	CAT 320D / CAT 336D	1-2
Long-Reach Excavator	Reach to suit project	1
Wheel Loader	SDLG LG956L	1
Hydraulic Breaker	Matched to excavator	1-2 sets
Dump Truck	Payload to suit route	2-3

500+ Units In Stock | Ready for Global Shipment

Demolition-ready fleet with breaker tools. Our excavator row includes dozens of units across multiple brands ready for demolition work.

Vivian | WhatsApp: +86 15821372359 | Email: Vivian186166@gmail.com

10. Road Maintenance Project

Typical buyers: Road maintenance contractors and highway teams

Equipment	Suggested Model	Qty
Motor Grader	XCMG GR180 / GR215	1
Road Roller	XCMG XS183J / XS203J	1
Wheel Loader	SDLG LG836H/856H	1
Excavator	CAT 320D	1
Asphalt Paver	Vogele / XCMG	Optional

500+ Units In Stock | Ready for Global Shipment

Road repairs, shoulder maintenance, grading, compaction and resurfacing. Dozens of rollers, pavers and graders in stock for highway maintenance contracts.

Vivian | WhatsApp: +86 15821372359 | Email: Vivian186166@gmail.com

11. Sand & Gravel Production

Typical buyers: Aggregate suppliers and quarry operators

Equipment	Suggested Model	Qty
Excavator	CAT 320D / CAT 336D	1-2
Wheel Loader	SDLG LG956L	1-2
Dump Truck	Payload to suit output	2-3
Bulldozer	Shantui SD16	1
Screening Plant	Capacity to match	1 set

500+ Units In Stock | Ready for Global Shipment

Fleet size depends on daily output and material type. Balanced excavator-loader-truck configuration ready for aggregate production projects.

Vivian | WhatsApp: +86 15821372359 | Email: Vivian186166@gmail.com

12. Site Preparation Project

Typical buyers: Land developers and industrial-park contractors

Equipment	Suggested Model	Qty
Excavator	CAT 320D	1
Bulldozer	Shantui SD16/SD22	1
Wheel Loader	SDLG LG836H	1
Motor Grader	XCMG GR180	1
Road Roller	XCMG XS163J/183J	1

500+ Units In Stock | Ready for Global Shipment

Clearing, excavation, rough grading, finish grading and compaction. A complete 5-machine fleet ready for residential, commercial and industrial sites.

Project Inquiry Checklist

Please provide these details so we can prepare a suitable equipment proposal:

Information	Details to confirm
Project type	Road construction / mining / earthmoving / building / other
Project location	Country, city and site conditions
Equipment and quantity	Machine types, preferred models and units needed
Budget	Estimated budget or target price range
Condition preference	Used/new, year or operating-hour preference
Destination port	Which port should shipment be arranged to?
Shipping plan	Ship together or in batches?
Purchase timeline	When do you plan to purchase?

Vivian | WhatsApp: +86 15821372359 | Email: Vivian186166@gmail.com

LET'S DISCUSS YOUR PROJECT

Tell us your project needs, machine quantities, budget and destination port.
We will help you review suitable equipment options.
